BOYD TECHNOLOGIES APPOINTS EVA SHERIDAN TO LEAD HUMAN RESOURCES

Biomedical Company appoints executive leader to drive growth efforts into a new phase

Lee, Massachusetts - Eva Sheridan has joined Boyd Technologies as Sr. Director of Human Resources. In her new role, Sheridan will be responsible for the strategic growth and development of the Company's human capital and oversight of all human resources efforts. In addition, she has joined the Company's Senior Leadership Team and reports directly to the CEO.

The appointment comes at a crucial time for Boyd Technologies as the Company is executing its strategic growth plan and experiencing a period of accelerated growth. Boyd provides growth services to biomedical companies that are commercializing breakthrough technologies. By leveraging these services, companies can accelerate their product design, development, and manufacturing initiatives and launch new products safely and effectively. These services are in high demand as the biomedical market is experiencing a period of unprecedented growth.

Boyd Technologies is expanding its biomedical engineers, quality technicians, process engineers, and other technical staff to support this growth. These roles support the ongoing design, development, and manufacturing of regulated products with increasingly complex functionality which requires rigorous quality controls.

"The development and expansion of our team is a critical part of our growth strategy. We're thrilled to have Eva leading these efforts as we build our market-leading growth services platform."

- Stephen Boyd, CEO

Sheridan is a well-known executive in the Human Resources field in Berkshire County, who previously held executive roles at Main Street Hospitality Group in Stockbridge, Massachusetts, and Mountain One Financial Group in North Adams, Massachusetts. She is an active and involved member of the Berkshire community; she currently serves as President & Chair of the Berkshire County Regional Employment Board and as a board member for Community Access for the Arts, among several other community roles. A graduate of Mount Holyoke College, Sheridan has a Master of Arts in Human Resource Development

from American International College, Springfield, MA. She lives in Stockbridge with her husband and two daughters.

About Boyd Technologies
