

POWERING THE MASS. INNOVATION ECOSYSTEM

WEDNESDAY, APRIL 24, 2019 | BOSTON

Register Today

boston-engineering.com/events

Wednesday, April 24, 2019 | 10:00 a.m. - 2:00 p.m.
PTC - 121 Seaport Blvd., Boston Seaport District

Benefits:

- Learn about grants, free product innovation tools, and other resources
- Get insights from leaders at state agencies, businesses, and research universities
- Test-drive smart, connected product capabilities - including augmented reality (AR) and Internet of Things (IoT), and to get tips from our experts

Why Attend?

- Network with:
 - Innovation center leaders
 - Entrepreneurs/innovation center members
 - Organizations that support start-ups (state agencies, universities, businesses)
- The launch of PTC's program to provide qualified Mass. innovation center members with free "smart, connected" technology. See the back page for details
- Event attendees get early access to PTC's Mass. innovation center program

Panelists Include:

- AstraZeneca Open Innovation
- Berkshire Innovation Center
- Boston University's Engineering Product Innovation Center (EPIC)
- Commonwealth Corporation (Workforce Training)
- Greentown Learn
- MassChallenge
- MassMEP
- MassRobotics
- MassTech Innovation Institute - M2I2
- MassVentures
- MIT's The Engine
- New England Business Association
- UMass Lowell M2D2 (Medical Devices)
- UMass Lowell Research Institute
- UMass Office of Economic Development

PTC Mass. Innovation Center Program

Be among the **first** to learn about this PTC program, which provides qualified Mass. innovation center members with **free PTC software**:

- Augmented Reality (AR): Vuforia
- Internet of Things (IoT): ThingWorx
- Computer Aided Design (CAD): Creo
- Product Lifecycle Management (PLM): Windchill

*This program is available to qualified Mass. innovation center members (start-ups) until they generate \$1M in annual revenues. Please contact info@boston-engineering.com for additional information.
